

CLASSIC MOTORCYCLE CLUB OF NATAL

Run to Club breakfast - Sunday 10 June (by Alan Young)

I'm scratching my head to try and figure out why our club breakfasts are more popular than the usual breakfast runs which are organized during the year!

On Sunday 10th June 40 members arrived at the club to enjoy a breakfast of eggs, bacon, sausage, tomato, beans, juice, a roll, marmalade and bottomless coffee or tea, cooked by a team of volunteers using skottels and some kitchen facilities. Chief Chef was Jill, ably assisted by Rod, Theo, Alan, Marie cooking the bangers, bacon and tomato with Phillip taking care of the eggs on his special cooker. The beans, buns, juice, coffee and tea were served from the kitchen by our team of ladies; Salome, Joan, Veronica and Liz who also served at the bar with assistance from Mike.

Before you could sit down to eat you had to pay your R25 and this was handed over to our Minister of Finance, Aubrey! Much pre-planning went into the event with ordering and collection of foodstuffs by Jill and Theo, with everyone helping setting out tables and chairs, cutlery, crockery and condiments and preparation of tea and coffee and buttering of rolls.

For those members who came on their bikes, well done and hope you had an enjoyable ride. And those who came by car, thank you for your support and hope you put your R2 in the charity box!

Last but by no means least was the washing up detail carried out by Bryan, the job that nobody wants!

This is the second such event this year. It seems that members really enjoy this form of breakfast run and your committee will bear this in mind in future.

The idea of these runs is to get the best value breakfast for our members and create an opportunity to all socialise together but, if there is any profit it is diverted to charity. On this occasion we made R434.80, an unexpected bonus!

Bryan, the clubs chief dishwasher! This is one of the many reasons why all the ladies love him so much!
