

CLASSIC MOTORCYCLE CLUB OF NATAL

CMCN - Sunday 15 July 2012 breakfast run.

The weather report threatened rain and very cold weather for the day. However, it turned out to be sunny but with gale force winds gusting up to 40 Km per hour. That must have scared off many would be breakfast runners! In spite of the wind, fifteen riders pitched at the NPN motors meeting point in Pinetown.

At the meeting point some folk had already ridden quite some distance to get there so it was decided to head straight for the Zanzibar restaurant at the Westwood mall. Probably a wise decision considering the wind.

In recent times some members had remarked about the costs of breakfasts and so the challenge was on to find the best value for money breakfast in town. This, we believe, was achieved. The Zanzibar offer eggs, bacon, toast and coffee or tea all for R15. With the exception of the *"Run to the club"* breakfasts where, for a little more, you got beans, sausage, juice and a bottomless cup of coffee or tea, this has to be the best value in town!

Jill went ahead to ensure all arrangements and parking was in place at the Zanzibar. We need not have worried as the Zanzibar manager Jayson had all in hand!

The following bikes were on this run - Moto Guzzi 1000, Honda CX 500 (2x), HD 883 Sportster and 1450 Fat boy, Yamaha SR 250, Honda VX 400, Suzuki GSX 450, Suzuki 250 scrambler, BMW CS 1000, Triumph Bonneville, BMW R65.

Some of the riders and the Manager of Zanzibar outside the restaurant.

A table specially prepared for us upstairs.

And our special guest. Bryan Hinks' lovely daughter Ingrid on her recently acquired Harley stole the show!
