

2019 FRAGRAM Natal Classic Regularity Trial

Dear Competitor

The Classic Motor Cycle Club of Natal cordially invites you to participate in our 34th FRAGRAM Natal Classic Regularity Trial, to be held at the ATKV Drakensville Resort on 17th and 18th May 2019.

The event will include two days on mostly Free State routes.

Scoring will be calculated using the well accepted GPS Data Logger system.

Please note: on submitting your Entry Form, indicate whether you will require a GPS Data Logger. They will be available to hire from the **Event Organiser** on Registration at a cost of R100.

The Rally Committee thanks the following businesses for their very generous sponsorship of prizes/gifts;

L&G Tools, Startline, Waterfall Mica, Maizey Plastics, Africa Tuff and Browne Brodie.

This year the Rally Committee decided to introduce a Touring Class for those Classic-motorcyclists wishing to take part in a non-competitive section.

To encourage new participants, one of our valued sponsor, L&G Tools, has very generously offered to sponsor first time competitor's entry fee to this event.

ATKV Drakensville offers a variety of value for money, self-catering units, 2 to 6 bedded units, restaurant, bar, shop and other excellent amenities. Given the above, we feel certain that you will be keen to enter and experience this memorable event. Please encourage your riding friends to participate

Interested? Please contact Dave Stone on 073 663 4094 or dstonealex@gmail.com
